## DESIGN FOR A CONTAINER

Charles E. McManus, Spring Lake, N. J., assignor  
to Crown Cork & Seal Company, Inc., Baltimore,  
Md., a corporation of New York

Application March 20, 1934, Serial No. 51,112

Term of patent 14 years

*To all whom it may concern:*

Be it known that I, CHARLES E. McMANUS, a citizen of the United States, residing at Spring Lake, New Jersey, have invented a new, original, and ornamental Design for a Container, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof.

The drawing is a perspective view of the container.

The container consists of a body portion of cylindrical form having one end constituting the top formed with a substantially horizontally disposed uninterrupted peripheral rim merging into an upwardly and inwardly flaring spout terminating in an overhanging bead.

I claim:

The ornamental design for a container as shown and described.

CHARLES E. McMANUS.
